

## Standalone DVR

## VDC-DVR2T16D

### Features:

- VGA Main Video Output (1280x1024)
- Real Triplex Operation
- Includes DVD/RW for Backups
- SATA Hard Drive Interface
- MPEG4 Video Compression
- Playback Search Mode: Time&Date or Event List
- Web Server (5 simultaneous remote connections)

**RoHS  
Compliant**

### Specifications:

Video Compression	MPEG4
Video System Format	NTSC / PAL
Operating System	Linux (Embedded)
Video Input	16 channels - (BNC)
Video Output	1xVGA 2xBNC (Live, Spot)
Audio Input	4channel - RCA Inputs
Audio Output	1channel - RCA Outputs
Display Frame Rate	NTSC: 240fps
Record Frame Rate	NTSC: 120fps (CIF) / 60fps (Half D1)
Display Resolution	NTSC: 720 x 480
Recording Resolution	NTSC: 720x480, 720x240, 360x240
Image Quality	Low, Normal, High, Super High
HDD Interface	SATA (Supports up to 500GB)
Recording Options	Continuous, Motion Detection Time Schedule, Alarm Triggered
Alarm Hardware	16-Channels IN / 1-Channel OUT
PTZ Control	RS-485
USB	USB 2.0 Port
Network	RJ45, TCP/IP, DHCP, IE based Monitoring
Remote Control	IR Remote Control
Power	12VDC / 5Amp (100VAC-240VAC input)
Dimensions	430W x 380D x 70H (mm)
